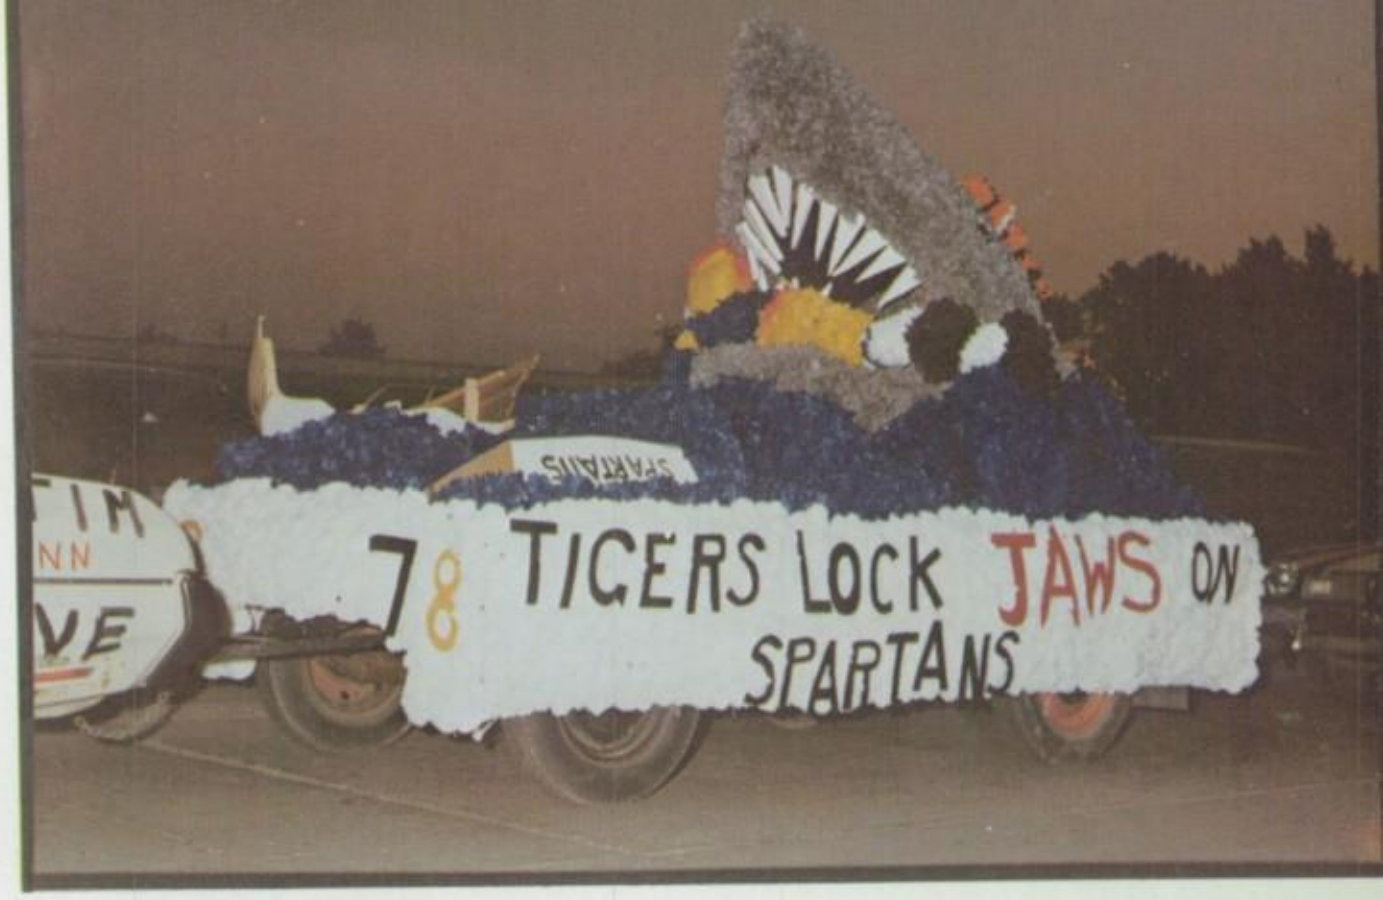
With the theme being "Movies" once again the class floats were spectacular. The competition was tough and in the end it was the Seniors coming out on top with their JAWS float. Sophomores came in second with a CAR WASH, Freshmen next with ROCKY, and the Juniors were fourth with STAR WARS. The class floats were all great and each class should be proud.



Top Right: 1st place winners were the Seniors with their gruesome and bold JAWS float!!
Middle Left: 2nd place winners were the Sophomores. The whole school loved their Car Wash float.
Bottom Right: 3rd place winners were the Freshmen with their Rocky float.
Middle Left: 4th place winners were the Juniors with their out of this world Star Wars float.

Motor Magic

Again this year, students decorated their cars for the auto competition. The winning car belonged to Dave Gerrard, a senior. Other winners were Sharon Lambart, Donna Lumpiesz, both seniors. The decorated cars added another highlight to the Homecoming festivities.

Once again the half time show for Homecoming of 77-78 was spectacular, thanks to the hard and strenuous work of the Tiger Marching Band. Majorettes, Flag Girls, and Pom Pon Girls were featured in the performance.

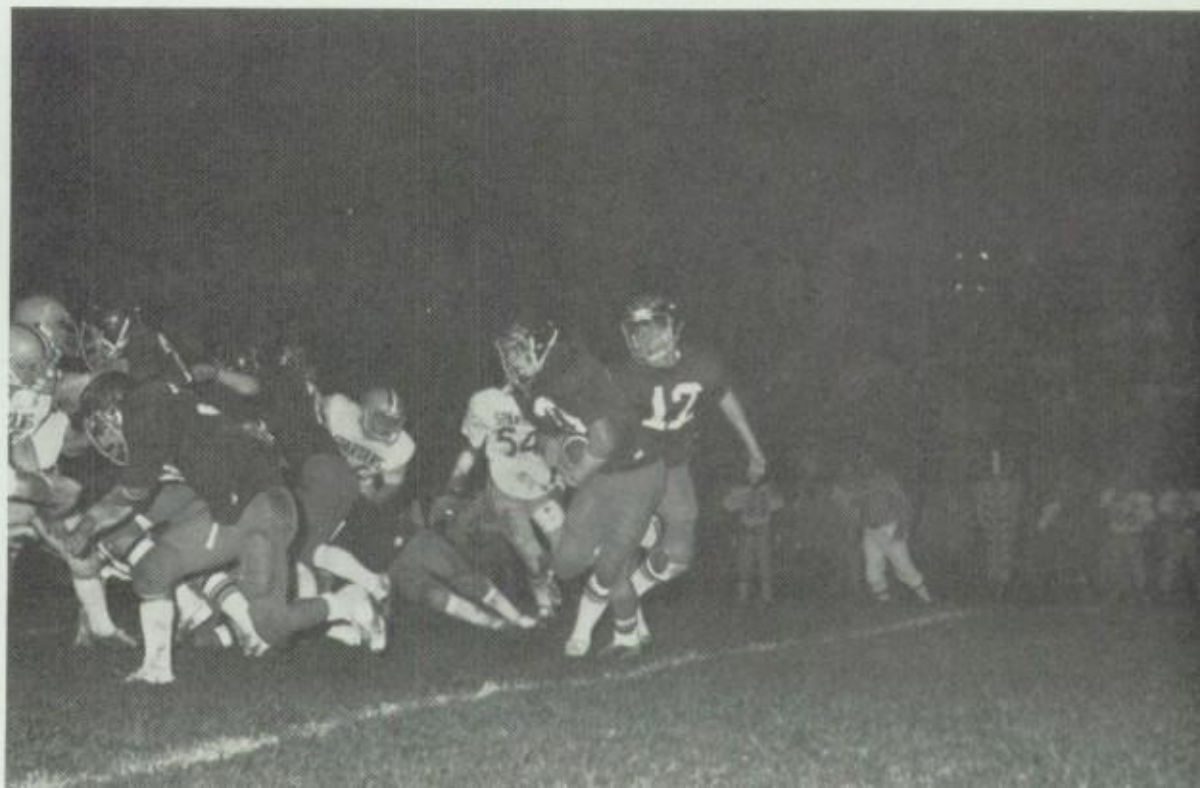
This year's Homecoming Game was as heartbreaking to the fans as it was to the team. Cherry Hill beat the "Tigers" 16-14 in the last seconds of the game.

It came as quite a shock as the exuberant fans had not yet quieted down from Terry Smith's 48-yard run, and the two point play on a pass from Gary Ryan to John White.

All in all, in the loss, there were great performances from seniors Terry Smith (20 carries for 114 yards), John White (5 carries for 11 yards), and Harlan Lee caught 3 passes for 47 yards. He also scored the first touchdown on a 12-yard pass from Gary Ryan.



This year's Homecoming activities were highlighted by the crowning of the 77-78 Homecoming Queen. At half-time the honor was bestowed upon Miss Sandi Rogers, a Senior Class Representative. Sandi is active in both the drama department here at West and is quite active in Student Government. The other court members were:

Jayne Griffith: Jayne has been active in Student Government since she came to West in her Sophomore year and is now Vice President of her Senior Class.

Cyndi McDonell: Cyndi is a Pom-pon girl and was President of her Sophomore and Junior Class.

Lori Roffi: Lori is active in the music department here at West. She is a member of the select chorus, "West Side Singers."

Janet Webley: Janet is President of Student Government and was a Girls State Representative in her Junior year.

Pam Wilkins: Pam is a member of the National Honor Society and is the Recording Secretary of Student Government.

"Child for a Day"

by Cat Stevens

I was a child
Who ran full of laughter
I was a child who lived for today
My eyes full of sunshine
My heart full of smiles
I was a child for a day
We were the children
Who sang in the morning
We were the children
Who laughed at the sun
Who listened to those who spoke with their wisdom
We are the ones who we would say, but
We're getting older as time goes by
A little older with everyday
We were the children of yesterday
We are the men who worry of nothing
We are the men who fight without aim
Who listen to no one, yet speak of our wisdom
We are the pawns in the game
We're getting older as time goes by
A little older with everyday
We were the children of yesterday
I was a child
Who ran full of laughter
I was a child who lived for today
My eyes full of sunshine
My heart full of smiles
I was a child for a day
We're getting older as time goes by
A little older with everyday
We were the children of yesterday

Motto:

"Live for today
and reach for tomorrow,
but remember yesterday."

Colors: Light Blue and Dark Blue

"Facing Graduation"

Faces of old, faces of new
People we know and people we knew
Growing together, then drifting apart
Always an ending and now a new start
At graduation we all grow nearer
And all our friends seem so much dearer
And as we say our final good-bye
One last embrace and one more cry
A "Keep in touch" and a "Promise I will"
A "Remember when" but better still--
A place in my heart, you'll always stay
This is what's said as we go our own way

Junior Class Officers And Representatives

The Junior Class has been very active the entire year. They never stop getting involved. They started off the year with a balloon sale and a Victory Dance. Both were very successful. They continued by selling life savor suckers, candy canes, and carnations. The "jelly bean bowl" was the Juniors' creation for Easter. Juniors put their money-making ventures to use by sponsoring a junior girl to attend Girls' State. They also helped out by putting an ad in the Varsity Basketball Program.

Success

"To laugh often and love much; to win the respect of intelligent persons and the affection of children; to earn the approbation of honest critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; to give of one's self.

"To leave the world a bit better, whether by a healthy child, a garden patch or a redeemed social condition; to have played and laughed with enthusiasm and sung with exultation; to know even one life has breathed easier because you have lived— this is to have suceeded."

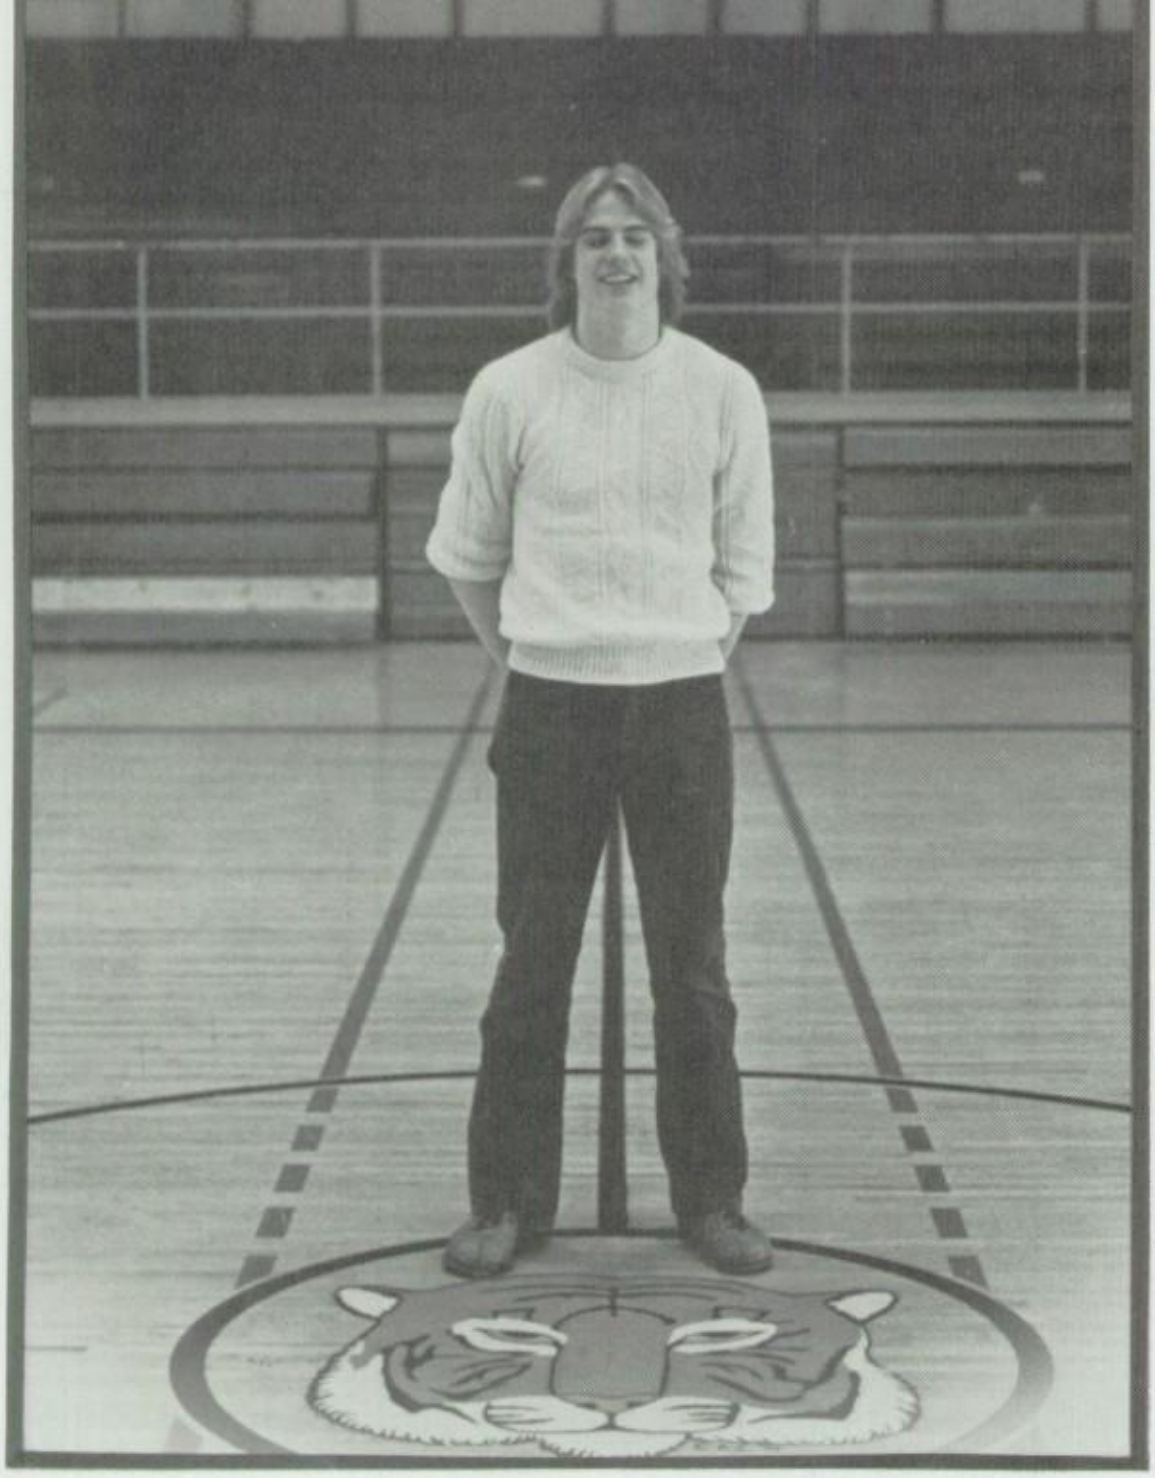
ACTIVITIES



This year's Homecoming Week was filled with excitement followed by a touch of sadness as West lost its basketball game to Taylor Kennedy.

With the showing of class mini-floats and skits, the assembly was most successful. The highlight was the presentation of the Coming-home Court composed of five Seniors, John White, Gerry Storey, Rick Favazza, Steve McGowan, and Adrian Giaccaglia. John White was chosen Cominghome King for 1978.

The Cominghome King and his court are pictured as follows:

West Presents Cinderella

Spring Musical

The 1978 musical, "Cinderella," centered around Cinderella (Lori Roffi), a kitchen girl who is at the beck and call of her two stepsisters, Joy and Portia (Elizabeth Smith and Linda Benson).

Cinderella's life seemed to be going nowhere until her fairy godmother (Deborah Glisson) came to call. True to fairy-tale tradition, Cinderella's rags were magically turned into a ball gown, a pumpkin into a coach, and black shoes into glass slippers.

The ball, hosted by the king and queen (Steve Coles and Cheryl Kaiser), was given to find a wife for their son, played by Dan Babb. The prince saw Cinderella and fell in love, only to lose her after their first kiss. Getting them together to live happily-ever-after was done through the humor of the chamberlain (Rick Martin) and his friend, Joe Durocher.

"Cinderella," the only public theatre performance given by West students, was co-supervised by Mr. William Ainslie and Mrs. Connie McNutt. Beth Grace was the student director.

Cross Country Report

The Tigers had a late start due to a brief cancellation of sports but came on strong near the conclusion of the season.

West finished fourth in the Tri-River League with a team that had only one senior. With a large returning nucleus, the team should be a contender in 1978-79.

1978 Best Year Ever For Baseball Team

Seven experienced seniors, good pitching, a strong defense, and long-ball hitting were the main ingredients that went into Garden City West's successful 1978 baseball season.

The Tigers set numerous records while earning a Tri-River League Co-Championship with a 12-2 record. West's over-all record was 19-4, which proved to be the best in thirteen years.

Smith tosses GC West's 1st no-hit game

By HAL SCHRAM
Free Press Sports Writer

Terry Smith earned a special niche in the athletic lore at Garden City West High Tuesday. He became the first baseball pitcher in the school's history to pitch a no-hitter.

The 17-year-old senior shut out Dearborn Heights Crestwood, 16-0, retiring 13 batters on strikes but giving up four bases on balls. Brad Voydanoff led a 14-hit West attack with a home run and two singles good for two RBIs.

There were a couple fine hitting performances on a cold and windy afternoon.

Little Caesars We Were Not But We Gave It All We Got

The year 1978 saw the beginning of Girls' Fastpitch Softball at West Senior High. The team consisted of two seniors, five juniors, eight sophomores, and one freshman. The team did not do too well in the win column, finishing with an overall two won, fifteen lost record, thereby tying for last place in the Tri-River League. However, the team has improved over the course of the season and will become a contender in the league within the next three years.

Change

Former special education teacher Mr. Daniel Wettlaufer returned to West at mid-year to teach electronics. He replaced Mr. Louis Maitland, who earlier had replaced Mr. James Surhigh.

Home economics teacher Ms. Sharon Petersen and math-science instructor Mr. Michael Copeland were selected as "Favorite Teachers" by the members of the Senior Class.

In September Mr. William Hobbs became the new Assistant Principal and Attendance Policy Enforcer. He formerly served as Principal at the Memorial Elementary School.

Mrs. Connie McNutt gave up her "M-R" portion of the alphabet as guidance counselor to head the federally-funded Community Career Study Program. She worked with Mr. Clayton Kelley and Mrs. Joann Kiebzak, an assistant.

In October, 1977, Mr. Ernest Urban, veteran shop teacher at West, passed away. This loss was keenly felt by all.

GOOD LUCK SENIORS

Graduates of '78

It is no accident that graduation from school is called "commencement," signifying the beginning of life in that big world outside the classroom.

Most hope this new adventure will include satisfying employment. Often this is where some fear of the future arises. How to obtain the skills needed for success in a career?

Many young graduates will find that they need more training. Some may get it on a job if they are lucky. Others may have to consider ways to attend technical vocational schools or college. For these young people, one way is to join the United States Army. Currently, the all-volunteer army is offering training in more than 300 skills, many with direct application to civilian careers.

Volunteer soldiers can also begin a college education in the army, with up to 75 percent of their tuition paid for approved courses, while they earn. And, with their earnings, they can also save for college after the army with matching funds from the government up to a joint total of $8,100.

In the army, they will also be getting another kind of education. They will learn a skill that will last a lifetime, travel and learn about the world. They will learn about other kinds of people from all over the country and, above all, they will learn about themselves—how much they are capable of and how well they can perform.

Not a bad way to commence—after commencement.

For additional information contact your local army recruiter (SSG. Ellis) at 28233 Ford Road, Garden City, Mi 48135 or Ph. 261-9010

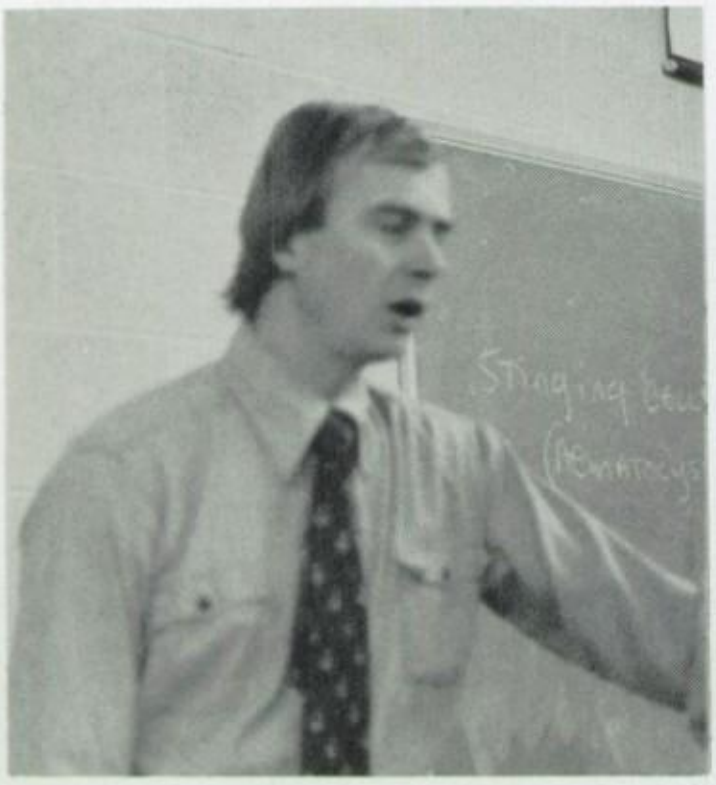
Students and Faculty

As everyone is fully aware, the problems with teacher contracts severely limited the extra-curricular activities this year. In spite of this, however, the members of West's Student Government have made possible various student activities and sponsored several charity events.

The dedication and plain hard work shown by Student Government this year is inspiring. The beautiful Lynwood Day Court Yard is maintained and funded totally by student efforts, along with the help of Mr. Marshall Henry. Student Government has sponsored such events as Cominghome, the Muscular Dystrophy Drive, and the annual Blood Drive. These and other worthwhile projects are due solely to the imagination, the initiative, and the drive of Student Government.

Yet, the majority of people in this school don't seem to realize the huge task the thirty-two individual members of Student Government have. Even as they work in Student Government, they have a commitment to their respective graduating classes. They must maintain a high level of academic achievement and still find time to be involved in various projects. Student Government members are very special people, deserving of more praise, gratitude, and recognition than they receive.

For Student Government this year, the achievements have been many and the failures few. The success is due to so many different people. Saying "Thank You" is the only way to express my gratitude to all the members, the students, and the faculty who have made this school year more memorable for everyone.



Mr. James Lenic
Adviser: Student Government

Sincerely yours,

WHAT EVER HAPPENED TO?....

Sherlyn Alioto

Well, now it's Sherlyn Clapman.

Married on April 30, 1977, Sherlyn moved to California to be with her husband, Rusty, who is stationed there.

Before moving, she gave birth to a healthy baby boy.

Sherlyn's friends wish her and her family the best of luck.

COULD YOU USE $8100 TO FURTHER YOUR EDUCATION?

With tuition costs at colleges and vocational/technical schools at an all-time high, many high school graduates are finding themselves able to meet admission standards, but unable to afford the tuition.

The Navy wants all qualified candidates to achieve the goal of higher education. And we can help, through a dramatic new program called the Veterans Educational Assistance Plan.

Under this plan, Navy men and women can save from $50 to $75 each month, and their savings will be matched 2 for 1! If you save $2700 over a three year period, the Government will match this with $5400—for a combined saving of $8100!

Get all the facts. Just call your nearest Navy recruiter. He can tell you how to get ahead in the Navy. And how easy it is to save $8100. Call or write:

JOE STEFFEN NAVY RECRUITING STATION
Telephone: 28233 Ford Road

THE NAVY. IT'S NOT JUST A JOB, IT'S AN ADVENTURE.

In the Navy, a job means more than just a good paycheck.

It means the adventure of seeing places like Greece, Spain, Hawaii and Hong Kong. It means becoming an expert on exciting technical equipment in our submarines, on our jets, and in our ships. It means doing a job that really counts, with people who count on you to do it.

The Navy can give you training in more than 60 career fields. Talk it over with your Navy recruiter. He'll be able to tell you what you can qualify for in the Navy:

We're sorry that these senior pictures were not placed in the Senior Section. But they did not meet Heritage Yearbook requirements. They were in color and they were too large.

Don't be left out of the Senior Section of the 1978-79 Heritage Yearbook. Schedule your senior picture early so that they are available to us by January 15, 1979. That way it can be placed alphabetically in the Senior Section.

CAREER ORIENTED DATA PROCESSING PROFESSIONALS

CAREER OPPORTUNITIES

Brand new this year (thanks to a federal grant) is the Career Study and Placement Center. The West Center officially opened its doors May 1 in a tiny office, but was moved into a classroom at the end of the semester. The purpose of the Career Study and Placement Center is to assist people in determining what career they would like to pursue and placement, whether it be into the career itself or into an educational situation that might be required for entry. Career is defined as any productive activity, whether paying, non-paying (such as homemaker, scout leaders, church leaders etc.) that is personally rewarding to an individual.

Although the project emphasizes 16 to 21 year olds, the Center is designed to work with 14 to 99 year olds.

There are two counselors, Mrs. Connie McNutt and Mr. Clayton Kelley, and an assistant (Mrs. Joann Kiebzak) in the Center. Mrs. McNutt's area of responsibility is Career counseling and Mr. Kelley's is job development, while Mrs. Kiebzak keeps everything and everyone organized.

The "Kelly Girl" People

The West High "Kelly Girls" are advanced business students who have been selected for the Model Office class by the office practice teacher and the Principal/Associate Principal. This selection is based on good skills, good attendance, dependability, the integrity to handle an open classroom situation, and the recommendation of the teachers in the business department.

The curriculum is a combined program of classroom study and office work experience in a block of time of two hours. In addition to the regular office practice classwork, each girl works as a typist/stenographer for an administrator, counselor, or department head. This set-up enables the student to decide on priorities, set up deadlines for herself and figure out solutions to problems which arise.

The program is not all work! In December the students put on a tea for their employers and during National Secretaries' Week the secretaries are feted by their employers at a luncheon.

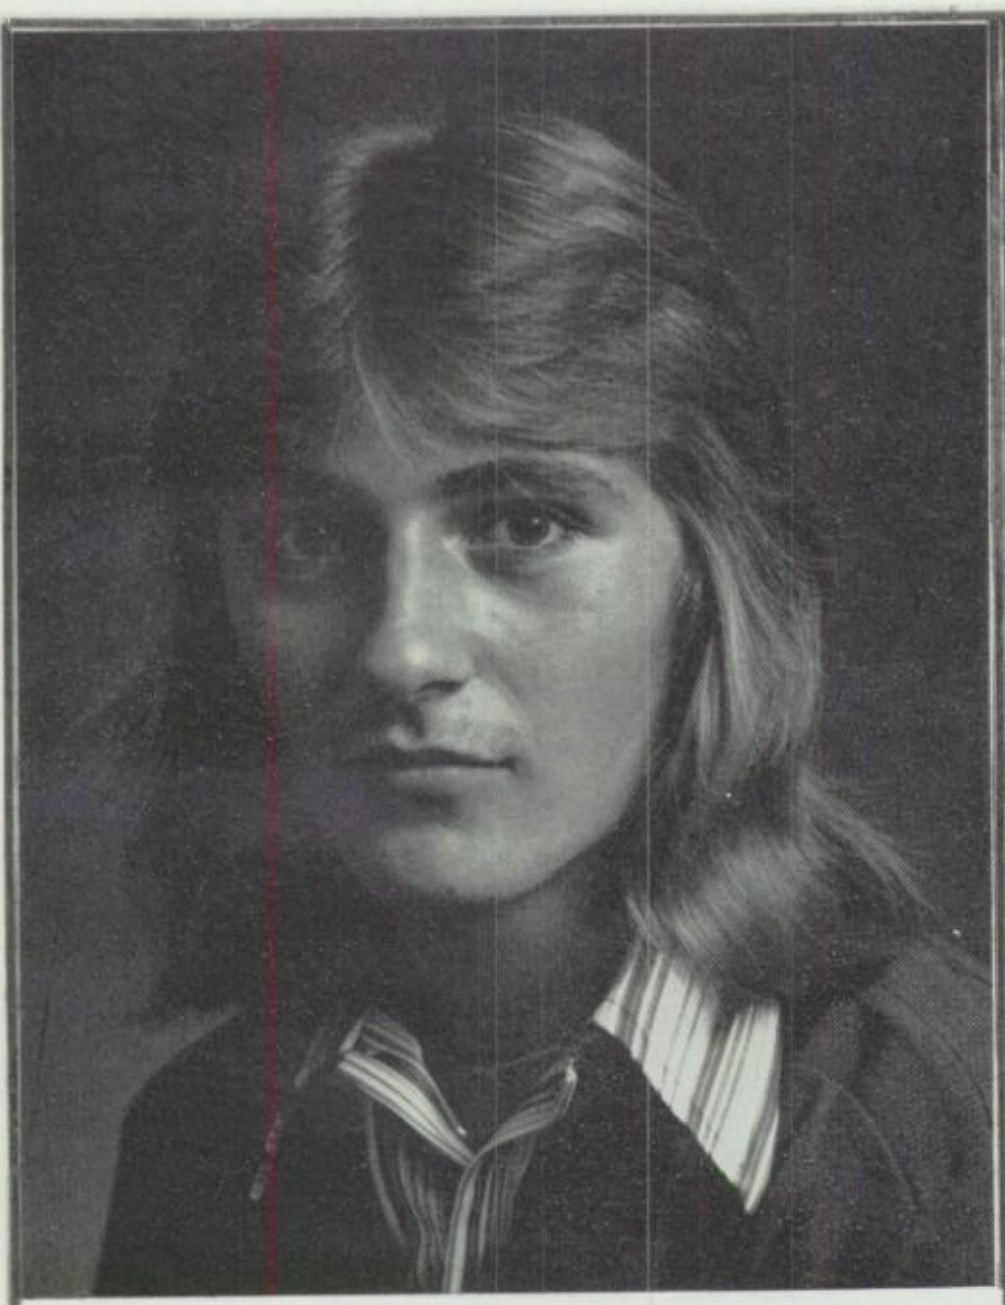
"WE WANT TO HELP"

KELLY The "Kelly Girl" People



Larry J. Snyder says, "Take it from one who knows. Your pictures for the Senior Section are due January 15, 1979. They must be black and white and measure 1½ inches wide and 1 3/4 inches high. See you in the Senior Section next year."

Never Have So Few Owed So Much To So Many

Without the help of many volunteers, this yearbook would not have been possible. Among those who contributed of their time and talent this year were seniors Eileen Sinclair and Theresa Wood, who organized the Senior Section; Kathy Wilson, our typist; and Jayna Kogler, pictured below, the Staff Section Editor. Others who made contributions were:

Scott Barghini, Dave Beyer, Kurt Brown, Ken Engi, Debbie Fisher, Lisa Kubiak, Cindy Livermore, Donna Lumpiesz, Cyndi McDonnell, Steve McGowan, Mindy Martin, Steve Nantz, Ann Neracher, Joe Pelzman, Kim Perry, Rhonda Rickert, Karen Schneider, Jenny Smith, Cyndy Socall, Jane Trombley, Mrs. Jackie White, John White, Nancy Wiacek, Janet Webley, and Kathy Zassadney.

To these and any others that we may have overlooked to bring our list of volunteers up to date, we of the regular staff say

thank you

EDITOR'S NOTES BY

Mary Wcislo

In the beginning, there were just four of us who signed up for Journalism II (Yearbook) Mary Wcislo, Neal Pike, Mike Kaczynski, and me. Since we were seniors, Mary and me were appointed co-editors. Mary had some yearbook experience. She edited the Homecoming and Sophomore Sections of this yearbook. I didn't have any yearbook experience so I concentrated on running the business end of the publication.

Neal Pike, like me, was a graduate of Journalism I. We made him the Advertising Manager. He owned the only copy we had of last year's yearbook. Mike Kaczynski was new to West and did not know nobody. He sold yearbooks.

Colleen Hopkins joined the class and soon learned that editing the Sports Section was a lot of sweat and tears—she cried a lot! Sheila Hawkins was shopping for a class to replace one that just wasn't right for her. Out of all the 6th Hour classes at West, she picked Journalism II as a replacement. She edited the Junior Section and worked on the Activity Section before she ran away.

Mr. M said that I was the best example he ever saw of "LA-ZY Faire" leadership. I say "Keep the Faith!" The only deadline we met all year was the last one.

Our Photo Staff consisted of Larry Fruit, Ginny Osier, Barb Wood, and Tom Bailey. Larry, who knew the front end of the camera from the back, became the Photo Editor. Ginny, who didn't, became his Dark Room Assistant. Barb and Tom joined the class at mid-year along with Kelly Cook, who stopped wandering the halls during 6th Hour and edited the Freshman Section and finished the Activity Section. Dave McNutt, a former HERITAGE photographer, advised our photo experts. Ms. Pat Nunneley helped by typing.

Mr. M advised me occasionally. He's OK if you get to see his best side. This is his best side.

Yearbook

by Tom Shivnen

A yearbook comes only once a year.

If you look in this book, you can see all the smiling faces
and only a few traces of the students, the staff
and what went on in the past school year.

Just try to listen . . .
Listen very hard.
You can still hear the faint sounds of the echoes
that once filled the halls
when you were there.

The yearbook, "Yes, it's just another memory."
A memory of the old school days.
Those fun high school days.
Days of love;
Days of hate.
Days of friends;
Days of enemies.
Days . . . you sometime wish would never have to end.

A yearbook only shows one side of school.
It never tells it all.
It doesn't tell the story of . . .
what really went on
throughout the halls.
